

Kelso Swimming Pool

Leisure Assistant (Wetside)

Live Borders currently have an exciting opportunity for a part time Leisure Assistant to join our team based at Kelso Swimming Pool and covering the surrounding area.

As a Leisure Assistant, you will become an expert in supporting lots of different and interesting activities and events. In Kelso, we manage not only the pool and studio but also community access to the state of the art facilities at Kelso High School, the Tait Hall and the Abbey Row Community Centre so there will be plenty of variety in your job. Duties include dealing with the public in a friendly, efficient and understanding manner at all times with first class customer service skills, lifeguarding duties, swimming teaching and if that wasn't enough there will be cleaning and equipment set up/ take down to keep the facilities and venues clean and tidy.

Ideally you will hold a National Pool Lifeguard Qualification and possess a UKCC Level 1 or 2 Teaching Aquatics qualification. If you were a qualified exercise class instructor that wouldn't go amiss either but training can be provided in all these areas. Smiling faces, cheery personalities and a passion for cleaning are a must to fit our team!

Your rota will involve working evenings, weekends and school-holiday periods so a flexible approach to working hours is essential. If this sounds like an opportunity you would like to apply for, please contact recruitment@liveborders.org.uk for an application pack quoting reference number **0403**.

The closing date for applications is Monday 27 May 2019 at 17:00.

Please note that appointment will be made to the bottom of the scale.

This post is subject to successful registration with the Disclosure Scotland, Protecting Vulnerable Groups Scheme.
