Reserve Items

Search for 'Iguana Library' in the app store

Download our library app where you can manage your account anytime and anywhere. Why buy when you can borrow!

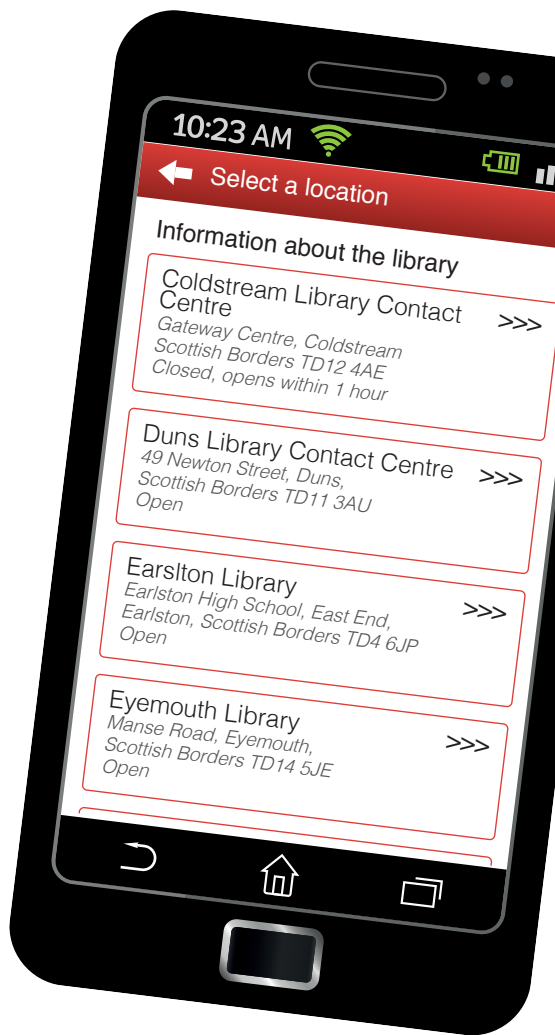

## How the app is 'a must' for your device:

- **Search & reserve**  
Search by title, author or year or by scanning an ISBN bar code. Reserve items immediately.
- **Create a wish list**  
Keep track of the great titles you want to read.
- **Manage loans**  
Renew items on loan with ease.
- **Contact your library**  
Phone or email your local branch, direct from the app.
- **Link accounts**  
Link library cards together to manage various accounts - great for families.
