

Live Borders Libraries provides online comics, audiobooks, ebooks and magazines.

To access these services you must be a member of the library and have your Library logon id and PIN/Password - if you are not a member of Live Borders Libraries follow Step 1, below

Your logon id can be the number on your library card, your Young Scot card number or an automated number starting with WEB.

If you do not know your logon id and/or PIN/Password and are a Library member please email libadmin@liveborders1.org.uk asking for your Library details, giving your name, postcode and date of birth. Staff will email you back as soon as they can with your logon details.

STEP 1 - How to register online – only required if you are not a Library member

- Go to our [Online Registration page](#) and complete the Registration form
- You will receive an email confirmation containing your logon id eg WEB123456, and a link to activate your account
- Note your logon id number then click the activation link and in the popup create a password
- Once this is completed register for BorrowBox and RBDigital to access the online services.

STEP 2 – How to register for BorrowBox –eAudiobooks & eBooks

To create your **BorrowBox** account you will need your logon id and PIN/Password

- Open the App Store and search for the free **Borrowbox app**
- Install then open the **Borrowbox app**
