ABOUT LIVE BORDERS

Live Borders is a forward-looking charitable trust at the heart of the Scottish Borders, delivering active, creative, heritage, life-long learning and community services that make a real difference to people's lives.

We exist to help communities thrive - physically, creatively and socially.

Every day, our teams support people to be active, curious and connected, whether that's through sport and fitness, libraries and learning, arts and heritage, museums, events or community programmes.

Since our establishment in 2016, Live Borders has brought together sport, leisure, culture and learning services into one organisation with a shared purpose: to improve wellbeing, reduce inequality and strengthen communities across one of Scotland's most distinctive regions.

A PLACE-BASED ORGANISATION DELIVERING SOCIAL IMPACT

The Scottish Borders is a unique place - rural, diverse and deeply connected to its communities. Live Borders reflects that. We deliver services across towns, villages and rural communities, reaching people of all ages and backgrounds.

Each year, we support more than a million visits to our sport and leisure facilities and hundreds of thousands of visits to our cultural venues and services. But our ambition goes beyond numbers. We want to ensure that what we offer is relevant, inclusive and responsive to the changing needs of the communities we serve.

We reinvest every penny we generate back into services and communities, ensuring public value and social impact sits at the heart of everything we do.

A TIME OF OPPORTUNITY AND CHANGE

Live Borders is on an exciting journey. With new leadership and a clear focus on impact, we are strengthening how we engage with communities, partners and stakeholders, and how we tell our story.

This is a place for people who want to make a difference - who are motivated by purpose, but also excited by change, improvement and innovation.

A MESSAGE FROM OUR CHIEF EXECUTIVE

Thank you for your interest in joining Live Borders.

Live Borders plays a vital role in the life of the Scottish Borders. Every day, our teams support people to be active, creative, curious and connected, through active living, creativity, culture and heritage, learning and community services. The impact of this work is felt across our communities, and it matters deeply.

We are a values-led organisation with a strong sense of purpose, and we are also one that is evolving, responding to the changing needs of our communities, the challenges facing the public and third sectors, and the opportunities ahead of us. This is a moment to be ambitious, thoughtful and bold about how we deliver our services and how we engage with the people we serve.

Everyone who works at Live Borders plays a part in our success. We are looking for people who care about people and place, who bring ideas, enthusiasm and commitment, and who want to do work that makes a positive difference. Whether your role is frontline, operational, specialist or strategic, you will be supported to contribute, grow and do your best work.

At Live Borders, we value openness, inclusion and teamwork. We believe that empowered people deliver the best services, and we are committed to creating an environment where our teams can grow, develop and do their best work.
