ABOUT LIVE BORDERS

Live Borders is a forward-looking charitable trust at the heart of the Scottish Borders, delivering active, creative, heritage, life-long learning and community services that make a real difference to people's lives.

We exist to help communities thrive - physically, creatively and socially. Every day, our teams support people to be active, curious and connected, whether that's through sport and fitness, libraries and learning, arts and heritage, museums, events or community programmes.

Since our establishment in 2016, Live Borders has brought together sport, leisure, culture and learning services into one organisation with a shared purpose: to improve wellbeing, reduce inequality and strengthen communities across one of Scotland's most distinctive regions.

A PLACE-BASED ORGANISATION DELIVERING SOCIAL IMPACT

The Scottish Borders is a unique place - rural, diverse and deeply connected to its communities. Live Borders reflects that. We deliver services across towns, villages and rural communities, reaching people of all ages and backgrounds.

Each year, we support more than a million visits to our sport and leisure facilities and hundreds of thousands of visits to our cultural venues and services. But our ambition goes beyond numbers. We want to ensure that what we offer is relevant, inclusive and responsive to the changing needs of the communities we serve.

We reinvest every penny we generate back into services and communities, ensuring public value and social impact sits at the heart of everything we do.

A TIME OF OPPORTUNITY AND CHANGE

Live Borders is on an exciting journey. With new leadership and a clear focus on impact, we are strengthening how we engage with communities, partners and stakeholders, and how we tell our story.

This is a place for people who want to make a difference - who are motivated by purpose, but also excited by change, improvement and innovation.
